

PRESS-THE-PAGE SOUND BOOKS

Our press-the-page sound books combine reading, listening and playing, giving children a fun, interactive way to learn and get acquainted with languages and various things naturally.

Our popular Books

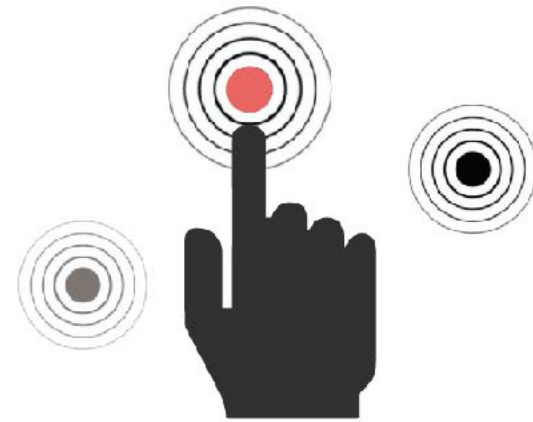

WHAT IS OUR COMPETITIVENESS OF OUR SOUND BOOKS?

LONGER USE LIFE

The plastic bottom box design is more durable than the cardboard box. It has dual speakers and built-in lithium battery, rechargeable longer use life and environmentally friendly.

660 SOUND POINTS

Each page can be designed with 30 sound points and up to 22 pages, totaling 660 different sound points, making it easier to match the illustration context.

3 LANGUAGES OPTIONS

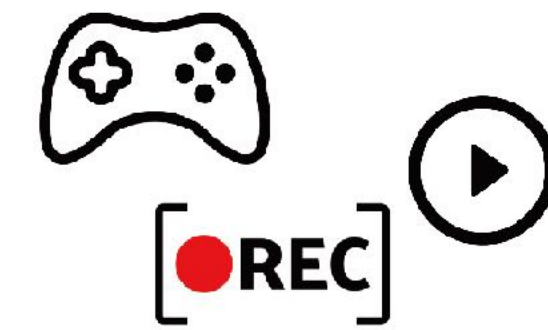

Pressing the language button at the top right and hearing a different language means the switch is successful. All languages can be changed according to each country.

VOLUME CHANGEABLE

Pressing the volume button on the top right will prompt "Volume Up", "Volume Up", "Volume Down" and "Volume Down", so you can adjust the sound level according to the environment.

MORE OPTIONS

Press the button to play Q&A games, record your own voice or play the songs. Easy and fun for practice and learn new words.
